

IN THE DRAWINGS

Two (2) Replacement Drawing Sheets and two (2) Annotated Sheets showing changes made to the Drawings have been attached to this response.

Figure 2 has been amended by adding the label "Usage Data" to the repository 202 indicating that elements 206a-d are usage data.

Figure 6 has been amended by adding a depiction of "instructions 111" to the processor 101, the ROM 103, the RAM 102, and the Data Storage Device 104.
